For this project, I chose to organize my:

☐ Closet     ☐ Desk/Study Area    ☐ Bedroom
☐ Bathroom    ☐ Other: ____________________

Name __________________________________

Period ___
Before

In the box below, glue a picture of how your disorganized area looked before you began organizing it. If you do not have access to a camera, you may draw a detailed picture in the box below. You may also take pictures on your cell phone and show them from your phone on the day the project is due for presentation. Then, on the lines below, describe in detail, what this area looked like before you began organizing it.
Quick Sort: Keep Pile

A “quick sort” requires you to sort all of your possessions into these four piles: Keep, Move, Trash, and Donate. In the box below, glue a picture of the “Keep” pile you made during your “quick sort”. If you do not have access to a camera, you may draw a detailed picture in the box below. You may also take pictures on your cell phone and show them from your phone on the day the project is due for presentation. Then, on the lines below, describe, in detail, what items were in your “Keep” pile.

6
Reflection

Before you began organizing your chosen area, how did you feel about this project?
_____________________________________________________________________
_____________________________________________________________________

After organizing your chosen area, how do you feel now?
_____________________________________________________________________
_____________________________________________________________________

How will you maintain this area and keep it from being disorganized in the future?
_____________________________________________________________________
_____________________________________________________________________

Were you or were you not surprised at the amount of trash that you threw away?
_____________________________________________________________________
_____________________________________________________________________

Did you find that sorting your items into four piles was helpful? Explain.
_____________________________________________________________________
_____________________________________________________________________

Why do you think it is important to have a specific place for all of your possessions?
_____________________________________________________________________
_____________________________________________________________________

What advice would you give to a student who has never done this project before?
_____________________________________________________________________
_____________________________________________________________________

What did you learn from doing this project?
_____________________________________________________________________
